Abstract

Most Goyim (a Jewish word for non Jews, with connotations of “cattle”) would probably be surprised to learn how vitriolic is the hatred expressed in the Jewish Talmud (the Jewish religious “guide books”) against the Goy(im). Since the Talmud is as religiously important to the Jews as the Torah (the first five books of the old testament) it is not surprising that Jews have made themselves so hated in almost every place they have congregated in large numbers. A religion that preaches hatred towards all non Jews is going to make Jews behave in anti-Goy ways, which in turn will create anti-Semitic reactions from the Goy abused by the Talmud influenced Jews.

I will end (except for some conclusions) this essay with a mass of quotes from the Talmud (with chapter and verse, so you can check their authenticity.) I think you will be shocked at the level of vitriolic hatred in these many verses. They show how deep was the hatred of the Goy that was

felt by the Jewish authors who wrote these verses in the Talmud (which is a series of religious guide books, filled with commentaries on commentaries by Jewish scholars over the millennia, studied by serious Jewish religious scholars.) To my mind, this hatred expressed by these Jewish scholars, shows how strong the anti-Semitism was at the time they wrote, and they were writing over many centuries, and over several different regions.

If one looks at the larger picture in Europe over the past 1000 years, i.e. plenty of time for the relations between the Jews and the host countries or dukedoms they lived in to manifest themselves, then one sees that the Jewish track record is appalling. The Jews have been thrown out of cities, dukedoms, regions, countries more than 100 times, independently of each other. This historical fact can be checked, by consulting Jewish scholars who specialize in anti-Semitism (e.g. <http://www.eretzyisroel.org/~jkatz/expulsions.html>) These expulsions of the Jews can be interpreted in several ways, which is partly what this essay is about.

The Jewish interpretation (as seen by the Goy interpretation) is ego defensive, i.e. “We poor Jews, always the victim of prejudice against us by the Goy.”). The Goy interpretation is more realistic. If the Jews make themselves hated wherever they go, independently, over millennia, then obviously the Jews are behaving in a way that *generates* this hatred. There must be something in the attitudes of Jews towards other peoples (the Goy) i.e. some form of deep seated anti-Goyism, that generates a backlash on the

part of the Goy, an anti-Semitism, to counteract the anti-Goyism of the Jews.

I think the latter interpretation makes more sense given the evidence. Why has it happened so often, that Jews would migrate to a country in large numbers, that was initially tolerant towards them, and a mere half century later that country had become intolerant of them and had thrown them out. This happened so many times in Europe, it became an obvious pattern.

This essay gives a partial answer to that question, namely, that the religion of the Jews, their Judaism, teaches them to hate the Goy. Since a religion is such a powerful cultural force binding a people together, it is not surprising that over many centuries, Jews have behaved towards Goy as though they (the Goy) were inferiors, to be treated with contempt. Not surprisingly, the Goy reacted to this, and eventually had the Jews thrown out of their country, dukedom, city, etc.

One wonders why the Jews have not learned a cultural lesson from this historical pattern. Why have the Jewish people not had the thought "We Jews are history's most hated people. Some social group on the earth must fill that role. That is a mathematical certainty, and it's us. Why us? What do we do everywhere we go, to make ourselves so hated? Why do we get thrown out repeatedly, time after time after time? How are we behaving towards the Goy that makes them hate us so much?

I rarely read anything written by a Jewish intellectual (sage) attempting to give an honest answer to this question. It is as though the Jewish people are trapped in a collective ego defense that does not allow them to look on themselves as hatable creatures. Perhaps there is a genetic component to Jewish attitudes as well? What is clear, is that the Jews never learn. They keep getting thrown out, wherever they go.

Now that the Jews have Israel, which was obtained by theft from the Palestinians (whom they ethnically cleansed, with Israeli death squads, and crammed 2 million Palestinian refugees into Gaza, the world's largest concentration camp) they can abuse themselves, but how much longer will Israel exist, given the world wide disgust at the Israeli treatment of the Palestinians? There is growing talk of the "South Africanization of Israel."

My personal solution to the problem of the Jews is that once we have a world democratic state, the world government "Globo" should then try to get the Jews to buy a new "Israel" but this time with the cooperation of the sellers. There is a lot of relatively empty space on the earth that the Israelis could transform into a successful and peaceful country. The Jews seem incapable of doing this for themselves. Their almost genetic tendency is to use stealth, i.e. sneaky tactics to get what they want, and to hell with the people who are tricked. Of course, this trickery generates hatred towards the Jews by those duped. It's bad enough to be suckered by someone, but to be suckered by

superior Ashkenazi Jewish intelligence, is doubly demeaning.

In fact, superior Ashkenazi intelligence is part of the problem that the Jews have. There are many peoples who hate everyone else, but they don't have the collective intelligence to dominate them, because they are too stupid. For example, blacks or Arabs will never dominate the world, because the average IQ of black Africans is only 70, and that of Arabs only 85, whereas the average IQ of Ashkenazi Jews in the US is a whopping 115, i.e. a full standard deviation above the average white IQ score. That is, the average IQ of Ashkenazi Jews in the US is as much above the average white IQ score, as the average white IQ score is above the average black American IQ score (of 85, the same as the Arabs.)

With such a whopping IQ superiority, the Ashkenazi Jews in the US are easily tempted to achieve their Talmudic prophecy of dominating the world, with its world capitol in Jerusalem. The Rothschild's have had this dream for several centuries and have been implementing this master plan ever since. Even today, 80% of Israel is owned by the Rothschilds. Jewish central banksters bribed Churchill, Roosevelt, Stalin and even Hitler to push for WW2. Hitler was financed in 1923 by the Oppenheims and the Warburgs (one brother in Germany, and the other in New York, who wrote the Federal Reserve act that allowed the Jewish banksters, and especially the European Rothschilds to steal trillions of dollars from US taxpayers.)

The Rothschilds contacted Lord Balfour in the UK with the idea that if the UK would give the Jews (i.e. the Rothschilds) Palestine at the end of WW1, then the Rothschilds would persuade their Jewish colleagues who owned the US media, to rustle up an anti-German publicity campaign which would bring the US into WW1 and tip the balance of the war to the UK's favor. This is what happened. So the Rothschilds got Palestine, by manipulating the US, the UK, and betraying Germany, since the Rothschilds were living in Germany.

No wonder Hitler hated the Jewish banksters. Nevertheless, he accepted the money of the Warburgs and Oppenheims (fellow Jewish banksters with the Rothschilds, along with the Schiffs, etc). The Schiffs financed the transport of Lenin (quarter or half Jewish) and Trotsky (whose Jewish name was Lev Bronstein) to Russia to foment the "Russian Revolution", which in reality was a Jewish putsch. Once the Jews had control of Russia they slaughtered about 66 million white Christian Russians, according to Solzhenitsyn in his books.

Schiff spent \$20M of his own money to finance the training and transport of 100s of Jewish communist revolutionaries to Russia. He was successful, since Trotsky proved to be a brilliant general. Schiff then pocketed about \$200M of the Czar's gold, whom he ordered to be murdered, which had been the plan in his own mind all along. He just wanted the money.

Hitler was funded by the Warburgs and Oppenheims who were agents of the Rothschilds because the Rothschilds needed to force Jewish Germans out of Germany, who were becoming too assimilated into German culture, and did not want to live in a desert and fight Arabs, as they would have had to do if they had lived in Palestine. Hitler truly hated the Jewish elite, who had caused Germany to lose WW1, and who had committed the worst genocide in history (against the white Christian Russians in the 1920s by murdering more than 60 million of them, “The Russian Holocaust”) as explained above. When Hitler came to power in 1933, the international Jewish community, especially in the US, undertook an international boycott against buying German manufactured goods, which Germany needed to sell to buy imported food. So these elite Jews tried to starve the German people.

They underestimated Hitler who simply banished German Jews from positions of power. In particular, Hitler removed the Rothschilds from Germany’s central bank, and created an interest free banking system controlled by the government, instead of a private Jewish controlled central bank, which forced tax payers to pay back the principal and interest on “loans” given to the German government of money printed out of thin air by the central bank to cover government debt, a system we still have today in the US, Britain, and most western countries.

As a result of Hitler’s interest-free central bank, the German economy thrived, and the 6 million Germans who were unemployed when he came to power in 1933, were

employed within a few years, showing what a country can do when it throws off its Jewish controlled central bank, a lesson the US, Europe and most of the western world, still needs to learn.

To the Rothschilds, the loss of the huge amount of money made from this massive Jewish central-bank theft was intolerable, so they started plotting the creation of WW2 to remove Hitler so that a Jewish central bank could be restored to Germany. The Rothschilds owned Shell, whose CEO bribed Churchill who was almost bankrupt in 1936, to start heavy criticism of Hitler. The Rothschild agents in the US, the Warburgs, Schiffs, etc had bribed Roosevelt in the 1930s, so Roosevelt was pushed to start WW2 as well. Similar machinations went on with the French and the Japanese. Roosevelt turned off the oil supplies to Japan and placed the US fleet within attack distance by the Japanese in Pearl Harbor. The Japanese with only a few weeks of oil left had no choice but to declare war on the US. After Pearl Harbor, the US could also attack Germany. The Rothschilds also had their people in Poland who organized massacres of Germans living in the western piece of Poland that was taken from Germany after WW1. When Hitler invaded Poland to stop the massacres of Germans by the Poles, Britain and France, used that as an excuse to declare war on Germany. Both the British leader (Churchill) and the French prime minister, by that time were “bought” by the Rothschilds. What started out as a dispute between Germany and Poland, became a European war, and after Pearl Harbor, a world war, an extremely profitable enterprise for Jewish central banksters such as the

Rothschilds and their Jewish cronies. Jewish central bankers love wars, and actively engineer them.

By the time WW2 started, two thirds of German Jews had emigrated, mostly to Palestine, or the US. The smartest of them went to the US, which explains why the average IQ of American Jews is so high. They were highly genetically filtered.

The role that Jewish evil geni such as the Rothschilds have played in recent world history is so extreme, that you would have to be a stone not to hate them, once you have become informed, which is something the internet is now doing (until the Jewish evil elite find a way of censoring it.)

One wonders about the mentality of people like the Rothschilds, the Warburgs, the Schiffs, etc, these evil Jewish geni (whom I label "MEjews" i.e. massively evil, massively exploitative Jews) who obviously treat the people they manipulate like cattle, (which is the major connotation of the word "Goy" by the way.) Where did their utter contempt for the lives and wellbeing of their victims come from? Did Schiff care about the 66 million white Christian Russians his Jewish communist revolutionaries butchered? Of course not. He wanted the Czar's gold. The white Christian Russians were Goy, and what were Goy to him, a Talmud influenced Jew.

So what does the Talmud actually teach Jews about the Goy? When one learns that the Talmud teaches Jews that the Goy are cattle, to be abused and exploited by the Jews,

a distinctly superior people, then the behavior of people like the Rothschilds, the Warburgs, the Schiffs, etc and in more modern times, the American Jewish Central Banksters who rob us of half our taxes with the Jewish, privately controlled, Fed scam, and the American Jewish Neocons who push Americans into constant extremely expensive wars (the Iraq and Afghanistan wars cost \$3T each) that benefit Israel but not the US, makes more sense. Why do these MEjews abuse us so, and why have we been so slow to throw these MEjews out of the US?

Well, the MEjews are smarter than the Goy, and quickly learned to control the minds of the Goy. Once the Rothschilds took control of the Bank of England just after the battle of Waterloo, when Napoleon was defeated by Wellington and Blucher, they bought Reuters, which then created AP (Associated Press). MEjews control the media in most of the powerful countries of the western world.

In the US for example, they control Hollywood, pumping out 1000s of Holocaust movies about the gassing of 6 million Jews that in reality never happened. Gorbachev opened up the Russian archives in the late 1980s and researchers found the death certificates of all the prisoners of Auschwitz who died and how they died. There were 70,000 deaths, 40,000 of them Jews, who died mostly of starvation and typhus.

The allies had control of the skies in the last months of the war, and had bombed all the railway tracks, so no food trains could get through. Everyone was starving. The

German guards took most of the little food that got through, so the emaciated bodies of dead Jews seen in the concentration camp movies were caused indirectly by the allied bombing effort.

The MEJew dominated Hollywood, and the MEJew dominated US media then started a propaganda campaign pushing the idea of the gassing of 6 million Jews to create a source of “guilt money” for Israel, \$3B a year from the US, and \$1B a year from Germany. Without these annual thefts, Israel could not survive. At the end of the WW2, General Eisenhower, a Jew (his mother was Jewish) who later became US president, allowed a million German POWs (prisoners of war) to starve to death, as documented in a book by a Canadian, called “Other Losses.” He also caused 5 million German civilians to starve to death as well.

So these MEJews are not very nice people. In fact they are truly hatable, and should be hated. They should be routed out and prosecuted for being the massive criminals against humanity that they are. This is now what needs to be done, now that millions of educated people are waking up to their massive crimes.

But I keep coming back to the basic question, what motivated them to behave in such monstrous ways? What makes Jews behave so badly towards the Goy? Is it a vicious circle, i.e. the Jews hate the Goy because the Goy hate the Jews? But Jews make themselves hated with all Goy, so the root cause must be with the Jews. So what causes the Jews to hate the Goy? This essay says, a large

part of the answer is the very negative influence of the Talmud and its vitriolic hatred against the Goy expressed in it.

I will give dozens of examples of passages taken from the Talmud (with chapter and verse) so that you will see that it is not the case that an odd verse here or there was written by some deranged rabbi, but rather that there are so many passages, that the message is clear, namely that the Talmud teaches Jews to hate the Goy, i.e. everyone else, i.e. all peoples except themselves. It is therefore not surprising that Jews behave badly towards the Goy, and it is not surprising that the Goy resent this anti-Goy behavior and become anti-Semitic.

As an example of bad Jewish behavior, take the case of Jewish money lenders in Russia several centuries ago. They lent money to illiterate Russian peasants who barely understood the concept of interest on a debt (the Russian Orthodox Church at the time was anti usury.) The Jewish money lenders would charge an annual interest of 40% sometimes, which they would never do to themselves. Of course, the Russian peasants could not repay the loan, so the Jewish money lenders would take the crop and the following year, they would take the farm.

Bitterness against the Jews in Russia built up to the point where Russians started killing Jews (progroms) and there were so many incidents of this kind, that eventually the Czar banished the Jews to a remote unfertile region of western Russia, which was something that the Russian

Jews never forgave him for, and when the Russian revolution came (actually the Jewish Putsch) they took their revenge on the Russian people and killed 66 million of them (says Solzhenitsyn), a far greater holocaust than the few million Jews that Hitler's regime killed in eastern Europe and Russia.

This kind of thing happened again and again. The Portuguese threw out the Jews, so too did the Spaniards, the British, the French, the Germans, the Poles, etc, etc, etc, etc, with boring monotony, over 100 times in Europe over the past 1000 years, as mentioned earlier.

Imagine now you are a bright Jewish child, and you begin studying the Talmud, one of the two main religious texts of the Jewish community (the other being the Torah.) Jews have a strong tradition of promoting the education of their best and brightest, something which the Catholic Church should have done but didn't. The Jews actively encouraged their brightest members, the Rabbis to have lots of kids, which had an obvious progenic effect on the Jewish average IQ level. The Catholic Church, to keep the wealth of the church within the church, pushed a celibacy policy onto its brightest members, its priests and bishops and cardinals, which had an obvious dysgenic effect on the average IQ level of the Christians.

Not surprisingly, the (Ashkenazi) Jews (i.e. those from eastern Europe, who by the way are not real Jews at all, but converted Khazars, a kingdom dating from around 900 AD between the Caspian and Black Seas, which converted to

Judaism, and was later invaded by the Mongols. The Khazars fled north into western Russia and Poland. Recent DNA sequencing tests have shown the male Ashkenazi Jews are descendents from the Khazars, which rather refutes the Zionist argument of returning to Palestine, when 80% of Jews are not Semites, but are the descendents of Khazars.)

The other 20% are Semites, the Sephardic Jews, who are descended from Palestine, and look Arab in their features, and have the average IQ of Arabs, i.e. 85. Ashkenazi Jews look more Turkish, i.e. more Khazarian. Since the Ashkenazi Jews are brighter than the Sephardic Jews, the former look down on the latter. Israel today is profoundly hierarchical. The Ashkenazi Jews are at the top, the Sephardic Jews are in the middle, and the black Ethiopian Jews with their average black African IQ of only 70 are at the bottom, and treated as scum, the way white South Africans treated blacks, and eventually created an apartheid (separateness) policy. Israel is also profoundly racist. In today's Israel, it is against Israeli law for a Jew to marry a Goy (a non Jew).

This profoundly racist Israeli state is utterly consistent with the teachings of the Talmud, which emphasize the superiority of the Jewish people over all others, "the (self) chosen people" – for example – (these many quotes were taken from <http://www.missionislam.com/nwo/talmud.htm>)

Moed Kattan 17a . If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there.

Hitting a Jew is the same as hitting God

Sanhedrin 58b. If a heathen (gentile) hits a Jew, the gentile must be killed.

Sanhedrin 57a. A Jew need not pay a gentile ("Cuthean") the wages owed him for work.

Baba Kamma 37b. "If an ox of an Israelite gores an ox of a Canaanite there is no liability; but if an ox of a Canaanite gores an ox of an Israelite...the payment is to be in full."

Baba Mezia 24a. If a Jew finds an object lost by a gentile ("heathen") it does not have to be returned. (Affirmed also in Baba Kamma 113b). Sanhedrin 76a. God will not spare a Jew who "marries his daughter to an old man or takes a wife for his infant son or returns a lost article to a Cuthean..."

Sanhedrin 57a. When a Jew murders a gentile ("Cuthean"), there will be no death penalty. What a Jew steals from a gentile he may keep.

Baba Kamma 37b. The gentiles are outside the protection of the law and God has "exposed their money to Israel."

Baba Kamma 113a. Jews may use lies ("subterfuges") to circumvent a Gentile.

Yebamoth 98a. All gentile children are animals.

Abodah Zarah 36b. Gentile girls are in a state of niddah (filth) from birth.

Abodah Zarah 22a-22b. Gentiles prefer sex with cows.

Sanhedrin 106a . Says Mary was a whore: "She who was the descendant of princes and governors played the harlot with carpenters." Also in footnote #2 to Shabbath 104b of the Soncino edition, it is stated that in the "uncensored" text of the Talmud it is written that Jesus mother, "Miriam the hairdresser," had sex with many men.

Gittin 57a. Says Jesus is being boiled in "hot excrement."

Sanhedrin 43a. Jesus deserved execution: "On the eve of the Passover, Yeshu (Jesus) was hanged...Do you suppose that he was one for whom a defense could be made? Was he not a Mesith (enticer)?"

Rosh Hashanah 17a. Christians (minnim) and others who reject the Talmud will go to hell and be punished there for all generations.

Shabbath 116a. Jews must destroy the books of the Christians, i.e. the New Testament.

Dr. Israel Shahak of Hebrew University reports that the Israelis burned hundreds of New Testament Bibles in occupied Palestine on March 23, 1980 (cf. Jewish History, Jewish Religion, p. 21).

Yebamoth 63a. States that Adam had sexual intercourse with all the animals in the Garden of Eden.

Yebamoth 63a. Declares that agriculture is the lowest of occupations.

Sanhedrin 55b. A Jew may marry a three year old girl (specifically, three years "and a day" old).

Sanhedrin 54b. A Jew may have sex with a child as long as the child is less than nine years old.

Kethuboth 11b. "When a grown-up man has intercourse with a little girl it is nothing."

Yebamoth 59b. A woman who had intercourse with a beast is eligible to marry a Jewish priest. A woman who has sex with a demon is also eligible to marry a Jewish priest.

Abodah Zarah 17a. States that there is not a whore in the world that the Talmudic sage Rabbi Eleazar has not had sex with.

Hagigah 27a. States that no rabbi can ever go to hell.

Baba Mezia 59b. A rabbi debates God and defeats Him. God admits the rabbi won the debate.

Pesahim 111a. It is forbidden for dogs, women or palm trees to pass between two men, nor may others walk between dogs, women or palm trees. Special dangers are involved if the women are menstruating or sitting at a crossroads.

Menahoth 43b-44a. A Jewish man is obligated to say the following prayer every day: Thank you God for not making me a gentile, a woman or a slave.

Minor Tractates. Soferim 15, Rule 10. This is the saying of Rabbi Simon ben Yohai: Tob shebe goyim harog ("Even the best of the gentiles should all be killed").

This passage is from the original Hebrew of the Babylonian Talmud as quoted by the 1907 Jewish Encyclopedia, published by Funk and Wagnalls and compiled by Isidore Singer, under the entry, "Gentile," (p. 617).

This original Talmud passage has been concealed in translation. The Jewish Encyclopedia states that, "...in the various versions the reading has been altered, 'The best among the Egyptians' being generally substituted." In the Soncino version: "the best of the heathens" (Minor Tractates, Soferim 41a-b).

Israelis annually take part in a national pilgrimage to the grave of Simon ben Yohai, to honor this rabbi who advocated the extermination of non-Jews. (Jewish Press, June 9, 1989, p. 56B).

On Purim, Feb. 25, 1994, Israeli army officer Baruch Goldstein, an orthodox Jew from Brooklyn, massacred 40 Palestinian civilians, including children, while they knelt in prayer in a mosque. Goldstein was a disciple of the late Brooklyn Rabbi Meir Kahane, who told CBS News that his teaching that Arabs are "dogs" is derived "from the Talmud." (CBS 60 Minutes, "Kahane").

University of Jerusalem Prof. Ehud Sprinzak described Kahane and Goldstein's philosophy: "They believe it's God's will that they commit violence against goyim, a Hebrew term for non-Jews." (NY Daily News, Feb. 26, 1994, p. 5).

Rabbi Yitzhak Ginsburg declared, "We have to recognize that Jewish blood and the blood of a goy are not the same thing." (NY Times, June 6, 1989, p.5).

Rabbi Yaacov Perrin said, "One million Arabs are not worth a Jewish fingernail." (NY Daily News, Feb. 28, 1994, p.6).

Moses Maimonides: Advocate of Extermination

"Moses Maimonides is considered the greatest codifier and philosopher in Jewish history. He is often affectionately referred to as the Rambam, after the initials of his name and title, Rabenu Moshe Ben Maimon, "Our Rabbi, Moses son of Maimon." [Maimonides' Principles, edited by Aryeh Kaplan, Union of Orthodox Jewish Congregations of America,, p. 3].

Here is what Maimonides (Rambam) taught concerning saving people's lives, especially concerning saving the lives of gentiles and Christians, or even Jews who dared to deny the "divine inspiration" of the Talmud:

Maimonides, Mishnah Torah, (Moznaim Publishing Corporation, Brooklyn, New York, 1990, Chapter 10, English Translation), p. 184: **"Accordingly, if we see an idolater (gentile) being swept away or drowning in the river, we should not help him. If we see that his life is in danger, we should not save him."** The Hebrew text of the Feldheim 1981 edition of Mishnah Torah states this as well.

Immediately after Maimonides' admonition that it is a duty for Jews not to save a drowning or perishing gentile, he informs us of the Talmudic duty of Jews towards Goyim, and also towards Jews who deny the Talmud. Maimonides, Mishnah Torah, (Chapter 10), p. 184:

"It is a mitzvah [religious duty], however, to eradicate Jewish traitors, minnim, and apikorsim, and to cause them to descend to the pit of destruction, since they cause difficulty to the Jews and sway the people away from God, as did Jesus of Nazareth and his students, and Tzadok, Baithos, and their students. May the name of the wicked rot."

**

I suggest you read these quotes several times, so that they make a permanent impression on your attitude towards how religious Jews see you, the Goy. MEjews control the media in the major western countries. They control Hollywood, publishing, and in European countries such as Germany, Switzerland, Austria, France, etc and in Canada and

Australia, it is *against the law* to criticize Jews (i.e. the so-called “hate crimes”), so what I’m doing now would be illegal. So it’s not surprising most of you reading this are shocked.

You always thought of Jews as victims, to be pitied. That is precisely the attitude the MEJews who manipulate your media (and hence your mind) want you to think, so that you continue to have guilt feelings about the (imaginary) Jewish “Holocaust” (a puny affair in comparison with the 66M murdered by the Jewish Communists in the 1920s in Russia.)

Indirectly, the MEJew central banksters who engineered WW1 and WW2 have killed several hundred million people. There is no way that you cannot hate such people, once you become informed. I hope this essay has made you see Jews differently. There is a reason why Jews are history’s most hated people. It is because they hate non Jews so much that they express their hatred in their very religion, thus perpetuating a vicious circle that Jews seem unable to get out of.

There is one encouraging note I came across recently. I read that 85% of Israelis are atheists, i.e. they look on the Torah and the Talmud as superstitious bygones that are irrelevant to modern living. That means that these modern Israelis will be less influenced by Talmudic hatreds. Another positive sign, is that in countries like the US, Canada, Australia, etc, intermarriage between Jews and Goy is high, e.g. about 80% of young Jews in the US are

marrying Goy, so the children of these mixed race marriages will be less Jewish in their attitudes.

My hope is that via such intermarriage, Jewishness can die out, and be absorbed into the much larger Goy culture, so that one of the worst influences on the Goy can cease to exist. I read that the “threat” of assimilation is one of the greatest fears of modern rabbis. It is rabbis who are largely responsible for Jewish anti-Goyism, because it is they who pass on Talmudic teachings to the next generation of smart Jews. Indirectly they are responsible for the greatest of crimes against humanity in the 20th century that the world has ever seen, i.e. over 200 million people killed in world wars, holocausts (e.g. the Russian holocaust), purges, etc. that I mentioned earlier. I have no doubt, that if Jews, especially the MEjews, never existed, the world would have been a far happier place. This is not a rhetorical statement. I make it based on the evidence.
